Profile

Creative Frontend Developer with over two years of professional experience in developing and maintaining websites and web applications. Knowledge of JavaScript, HTML, CSS, Sass, PHP and MySQL, as well as experience with WordPress and Shopify. First practical experience with React and Angular. My background in art adds a good sense of design, usability and visual style to my technical skills.

Technical Skills

Frontend: HTML, CSS, Sass, JavaScript, Responsive Design, Bootstrap
Backend & Databases: PHP, APIs, MySQL
CMS & Tools: WordPress, Shopify, Git, GitHub, Postman, Trello, Scrum
Basic knowledge: React, Angular, TypeScript, Java, Node.js, MongoDB
Other skills: Web Accessibility, UX/UI basics, Design Patterns, TDD & BDD

Work Experience

Web Developer
October 2023 - December 2025

Froschgift – Branding & Design | Germany

- Developed and delivered 8 client websites with WordPress, PHP, JavaScript, HTML, CSS and Sass.
- Built an internal Bootstrap framework with utility classes; cut development time by approx. 20%.
- Developed internal management systems (vacation planning, invoice management) with PHP, MySQL and Bootstrap, used by all employees.
- Maintained and further developed approx. 15 client websites and contributed to Shopify projects.

Completed projects: db2-architekten.de, tilko-wlan.de, brighter.cloud, climanovo.de, maler-rexhepi.de, op-consult.de, samenfritze.de, thuega-netze.de

Housekeeper
February 2020 - February 2022

Private Family | Germany

Independently organized and carried out daily household tasks; took German courses from A1 to B2 at the same time.

Office Assistant
May 2015 - April 2018

Feevale University | Brazil

Supported students and professors with the university printing system, solved technical problems and helped improve internal workflows.
